Based on the interest of the Middle Technical University in research programs and scientific research, the university is holding its fifth engineering conference for engineering colleges 21-22 DEC 2020 at the Electrical Engineering Technical College (EETC). This conference is going to discuss mainly engineering subjects of researchers and graduate students to promote information exchange among students and faculty.

GOALS OF THE CONFERENCE:

- Exchange of experiences among graduate students as well as among them and their supervisors.
- Exchange of ideas among researchers in advanced topics in engineering disciplines.
- Developing applied research through discussion with experts in this area.

CONFERENCE TOPICS:

- Electrical, Industrial, and Control Engineering.
- Computer and Communication Engineering.
- Chemical and Oil Engineering.
- Mechanical and Materials Engineering.
- Civil and Architectural Engineering.
- Biomedical Engineering.

ORGANIZATION COMMITTEE

- Prof. Dr. Adel A. Obed/ EETC / Chairman
- Prof. Dr. Jameel Kaduim Abed/ EETC / Member
- Assist. Prof. Dr. Ammar Hussein Mutlag/ EETC/ Member
- Assist. Prof. Dr. Ahmed R. Ajel/ EETC/ Member
- Assist. Prof. Mr. Ahmed J. Sultan/ EETC/ Member
- Dr. Ayad Qasim Hussien/ EETC/ Member

MEMBERS OF SCIENTIFIC COMMITTEE

- Assist. Prof. Dr. Wadhah Amer Hatem/ MTU/ Chairman
- Prof. Dr. Sadik Kamel Gharghan/ EETC/ Member
- Prof. Dr. Firas Hashim Kamar/ MTU/ Member
